

Staying connected and working together to fulfill the tenets of our mission is more important than ever during these troubled and uncertain times. While we hope we will be able to gather together in person soon, exciting plans are being put in place to inspire, educate, and bring the community together virtually until then.

With your support, we will continue to provide meaningful programs to explore topics of interest and share common bonds. We rely on the support of our membership to help maintain the high caliber of our activities, and to increase and enhance our efforts.

We are especially committed to working with educators and young people to promote empathy, kindness, and respect, while developing informed citizens and leaders for the future. This past summer, we were able to provide a four-day Holocaust education seminar and vital materials for 40 local teachers to share with their students. This is one of the Fellowship's longest running projects and one of which we are quite proud.

We also honored 21 students whose entries rose to the top in the annual Essay and Creative Arts Competition for Palm Beach County middle and high school students. The 2020 theme, inspired by Edgar Guest's poem, "It Couldn't Be Done," became especially relevant for the year's challenges.

To see what we have been doing and what we are planning, we invite you to visit www.palmbeachfellowship.net. The upcoming season may be unusual but our efforts will go on, thanks to your support and participation!

Our Mission

Established in 1993 by a handful of interfaith friends wanting to bring positive changes to the community, the Palm Beach Fellowship of Christians & Jews is dedicated to promoting fellowship, understanding, and respect among all religions and cultures; to bringing the community together through education, dialogue, and interaction; and to addressing issues rooted in intolerance, anti-Semitism, and unjust discrimination.
