COMMUNITY is a group that develops a feeling of fellowship with others through shared attitudes, interests, and goals. Having a strong sense of community makes us feel as if we are part of something bigger than ourselves.

"Community is when two or more people share a mutual concern for each other's welfare."

- Charles Vogl

"Our goal is to create a beloved community and this will require a qualitative change in our souls as well as a quantitative change in our lives."

- Martin Luther King, Jr.

*"Alone, we can do so little;
Together we can do so much."*

- Helen Keller

"The Greatness of a community is most accurately measured by the compassionate actions of its members."
- Coretta Scott King

Write an essay or poem, or create a piece of music, video, or visual art (painting, sculpture, collage, photography), on the topic of **COMMUNITY**. Drawing inspiration from quotes such as those above, express through your own words or art the importance of building a strong community, either to you personally or to the groups of people who live there.

Guidelines: *Written works should be limited to 500 words, videos and music to a maximum of two minutes in length.*

Note: *If submitting visual art, music, or a video, include a brief artist statement about your process and what you are trying to convey.*
